

Snowshoe Project Day

Give overview of stations, pointing out parts on finished snowshoe

Keep Moving through the stations!

Don't have to be done in order – watch for open station

Get a bag – put your name on it & keep parts in it until finished

Label your frames

Be Neat – take pride in your work

Respect (where we're working) property & leaders' tools/equipment

Safety! (Details for each station)

Cleanup is a big job

Avoid big messes and Clean up as you go

Everyone stay until cleanup is done (help haul stuff to cars)

Leave place cleaner than we found it
